Perfect English Grammar - YouTube

This is not a book about English grammar. It does touch on the subject but in the 25% of the book that I read that touch was only brief and in any case not very illuminating.

Perfect English Grammar: The Indispensable Guide to ...

In the grammar of some modern languages, particularly of English, the perfect may be analyzed as an aspect that is independent of tense - the form that is traditionally just called the perfect ("I have done") is then called the present perfect, while the form traditionally called the pluperfect ("I had done") is called the past perfect.

Perfect English Grammar

We use the present perfect to talk about time up to now, that is, events that took place in the past but which connect with the present. The present perfect is often used with time expressions which indicate time up to now, for example today, this year, in the last six months:

Past simple or present perfect? - English Grammar Today ...

Definition of the present perfect tense The present perfect is used to indicate a link between the present and the past. The time of the action is before now but not specified, and we are often more interested in the result than in the action itself.
