Planning Urban Places: Self-Organising Places with People ...

Urban change is often difficult because we are dealing with people's elusive notions of place and perception, time and change. Urban design and planning in a changing urban context so that it remains relevant for people is elusive because the idea...

Planning Urban Places: Self-Organising Places with People ...

Urban change is often difficult because we are dealing with people's elusive notions of place and perception, time and change. Urban design and planning in a changing urban context so that it remains relevant for people is elusive because the idea of place is embedded in memory and identity - but whose memory and whose identity?
