Chapter 1: Democratization and Public Opposition. Dahl's purpose of Polyarchy is to determine conditions favor or impede a transformation into a political regime in which opponents of the government can openly and legally organize into political parties in order to oppose the government in free and fair elections.

Polyarchy Summary at - WikiSummaries

Dahl argues that the term 'polyarchy' is a more accurate description than 'democracy' when it comes to most countries we tend to call democracies (he also has a very high bar for what it would be required for a country to be a democracy - and most countries in the world wouldn't qualify), and it's an important distinction.
